All kits come complete with the necessary hardware to assemble the shelves with ease.

We built these shelves with flexibility in mind. Need an extra shelf? No problem. We can provide additional shelves and other replacement parts as needed. All shelves ordered separately come with 4 joint connector bolts and an allen key. All shelves come pre-drilled to ensure proper fit. Made from Sintra PVC plastic, these shelves offer an affordable, durable, lightweight and moisture resistant product. The product is UV resistant and contains no leads or heavy metals.
